

RESIDENCY TO.DOS

FIRST DAY

- share your SPARK! Arts message with students

DURING

- get two photos of students*
- hand out stickers to students

LAST DAY

- have students complete postcard**

please ensure these photos are **only of students who can be captured on camera;
this is a great way to engage teachers and have them take photos*

***the postcard is a reflection tool for students to either draw or write about their experiences and what they learned in your residency;
postcards can be completed during your last session or you can leave the postcards with the teacher that they can complete with students at a later time*
